

**St Romanian children's Humanitarian Foundation Newsflash  
December 2018**

**We wish you and all supporters a Very Happy Christmas and New Year for 2019 filled with good health in the first place and peace.**

This Christmas thanks to your support we have made over 80 children happy with Christmas joy as well as food aid for parents in marginalized families throughout north east Romania.

În Romania St Nicholas day early în December when all children receive treats from St Nicholas.

This year again thanks to your support I was able to reach the poorest children we know în northeast Romania and deliver them a bag of treats including fresh fruit.

The seat în the park looks icy cold and it is just that, yet into the nighttime these are the places you find people who are homeless, yes even în the sub zero winters. Some even sleep on cardboard and not on the seat but tucked în behind on the snow with whatever clothing they can muster. We help with hot drinks and food, but our aim is always to get these unfortunate ones off the streets and to a shelter în the town.

With both St Nicholas day and then Christmas holidays for all children Timmie products of learning books and learning cards took a well earned Christmas break also

But Timmie will be back în January after the New year 2019 when children return to class and looks forward to helping many more children learn via his well designed methods of easy learning în class.

**Children I await you after your Christmas holidays with great pleasure when we meet again în class!!**

**Our best wishes and thanks of the season to you all and your families**
