Whilst in Botosani County Lady Miriam and her Husband Jeroen Charmant visited kindergartens at Vorona village, plus in Suceava County as well as providing Christian support at the homeless center in Suceava including pointing out a homeless man who needed urgent medical treatment. On my part it was so good to have Miriam and Jeroen here in Romania to assess and see first hand the success of the wonderful Timmie range of products that they produce and freely donate without charges to better the learning of Romania children.
